

International Certificate Class of Taiwan Specialty Tea

Course Execution Process

Trainees

(Certificates will only be issued to expats.)

Register

Participate in the “International Certificate Class of Taiwan Specialty Tea (Primary)” (organized by an external agency commissioned by the Tea and Beverage Research Station, MOA).

Classes

(Taught by seed lecturers hired by the course provider for 12 hours)

Identification Test of Taiwan Tea Pass

(Test conducted by the course provider, with results uploaded to the platform after the test)

Issue electronic certificates of class hours

(To be issued after review by the course provider)

Participate in a Tea Fields Experience Course

(8 hours of scenic spots recommended by the TBRS or planned routes recommended by the course provider, subject to review and approval by the TBRS).

Trainees upload their experiences, videos, or photos from the Taiwan tea fields to the platform

The system reviews and approves, issuing the electronic version of the [Certificate for International Certificate Class of Taiwan Specialty Tea \(Primary\)](#).

(If trainees require a printed certificate, they can contact the course provider for assistance in printing.)
